The Owl's Song is the story of Billy White Hawk's struggles to find his way toward manhood by leaving the Beneway reservation in Idaho and moving to the city to live with his older half-sister, Alice Fay. First published in 1977, *The Owl's Song* remains a groundbreaking work and a milestone of contemporary fiction.

"A powerful and moving story of an Indian boy's struggle to survive in an environment that would destroy him."

—*American Indian Culture and Research Journal*

"Janet Campbell Hale's gifts are genuine and deeply felt."

—Toni Morrison

"Authentic in language and realistic in treatment of its theme, this is a stark social commentary on racial and youthful alienation."—*Booklist*

Janet Campbell Hale is the author of *The Jailing of Cecelia Capture* and *Bloodlines*, winner of the American Book Award. She is a member of the Coeur d'Alene tribe of northern Idaho.
